Re: Please don't destroy the check

Dear Dolores:

Enclosed please find Smith & Smith check in the amount of \$1,500.00. Please use this in any way that the board sees fit, including using it to replenish the BCGA treasury.

As you know, Naomi and I are big fans of BCGA. Not only have we served on the board, but we have had the great pleasure of representing many of its members over the years. BCGA has been very good to us.

Even though we are no longer members, we continue to support BCGA financially because we believe that local professional guardians need an organization that provides continuing education, networking opportunities, and advocacy with the court system. Only BCGA does all of these things for professional guardians.

Please deposit this check. We consider it an honor to assist BCGA, so that it can continue the good fight. To quote Garrison Keillor, "Be well, do good work and keep in touch."

Sincerely,

Todd L. Smith
